Company Guide to IGNITE Worldwide Events
About IGNITE Program Events

IGNITE Worldwide is the answer to achieving gender equity in STEM. IGNITE works directly with educators to connect girls* with STEM opportunities during the school day. Our award-winning Program offers a variety of interactive events featuring STEM professionals** who represent IGNITE Students.

*We serve girls, young women, nonbinary, transgender, agender, and genderqueer students.
**We encourage women, nonbinary, transgender, agender, and genderqueer volunteers.

Share Topics You’re Passionate About

● Your company decides the topic—be creative and have fun!
● We’ll support you in integrating IGNITE’s best practices into your event.

Engage with IGNITE’s Award-Winning Program

● We coordinate with teachers; you work directly with students.
● School-centric scheduling promotes accessibility.
● Access IGNITE-provided training, resources, and event support.
● Hear directly from IGNITE Students after your event through customized post-event reporting.
Virtual Events

Work-Based Learning Experiences

Engage IGNITE Students from any location for a memorable virtual experience spotlighting STEM in action and career opportunities at your company!

Employees work closely with IGNITE Students in small groups during an activity on a topic of your choosing using physical supplies mailed by your company or accessible virtual resources. Events also include a Panel and Q&A discussion featuring women** from your company. **We encourage women, nonbinary, transgender, agender, and genderqueer panelists who represent IGNITE Students.

Work-Based Learning provides students with the knowledge and skills to connect school experiences to real-life work activities and future career opportunities.

Duration
90 minutes

On-Demand Event
Teachers request event date and time at least 4 weeks in advance

IGNITE Students Served

In-Person Events, at Host Company

Field Trips

Give IGNITE Students a behind-the-scenes look at STEM in action and career opportunities at your company! Field Trips offer a memorable, first-hand experience where employees interact directly with IGNITE Students through an activity in small groups, Panel, and Q&A discussion. Create corporate social awareness and invest in your community while inspiring girls* to pursue STEM careers! *We serve girls, young women, nonbinary, transgender, agender, and genderqueer students.

Locations Currently Available In-person events are available only to companies and schools located in either the Puget Sound (Washington) or San Francisco Bay (California) areas. If you are interested in hosting in-person events in your region, please contactus@ignite-worldwide.org for more information.
