

Inspiring Girls Now  
In Technology Evolution

## Partnership Opportunities

The world is missing out on the talent of women, especially women of color, who are not fairly represented in STEM fields. This is reflected in the worsening gender inequity seen in many STEM fields. IGNITE is changing these statistics every day through our award-winning program, and we need your support to expand our impact.

Sponsor Benefits and Recognition	Katherine Johnson \$500,000	Ellen Ochoa \$250,000	Mae C. Jemison \$100,000	Grace Hopper \$50,000	Mary Jackson \$25,000	Dorothy Vaughn \$10,000
